**2015-2016**

**NOTICE OF FUNDING AVAILABILITY (NOFA)**

**FOR**

**RESIDENTIAL CONSTRUCTION MITIGATION PROGRAM**

**FUNDS (RCMP)**

The City of Deltona (City) is anticipating an allocation of approximately \$190,000.00 in funds from the State of Florida Division of Emergency Management (DEM) for FY 2015-2016 to implement activities to benefit low, moderate and middle income persons.

The intent of this mitigation program is to retrofit and reinforce the envelope of a house: the roof, soffit, vents, doors, shutters and in rare cases minimal window replacement. Some common retrofit/reinforcement efforts include gable end bracing, hurricane straps, shuttering of windows and sliding glass doors. This program DOES NOT cover items such as HVAC, septic systems, drywall, plumbing, electrical wiring, wood rot, or termite damage.

To obtain the anticipated open enrollment date and for periodic updates on this program please call 386-878-8616 or go to: [www.deltonafl.gov](http://www.deltonafl.gov) and click on "Housing and Community Development" under departments. Information about the (RCMP) program can be located on the left side of the page.
