A. Youth Video Program for the Florida League of Cities:

The members had come up with the following 5 topics as possible things they could use for the video program:

1. Technology depriving kids of physical activity.
2. School violence during school hours.
3. The college application process.
4. Peer pressure.
5. Healthy, affordable meals in the school system.

They then made the decision to narrow it down to the following:

1. Technology depriving kids of physical activity.
2. Peer pressure.

Mrs. Brown added that the following attached pages related to ideas received from MacKenzie and Cory. She reminded them that Mr. Lopez had asked them to come up with a script based on the topics chosen and then the video production would begin. Deadline is April 1st. Mrs. Brown asked them to send in their ideas soon so she could do the proper formatting. The members agreed to come to City Hall after school once this was decided. Each member would bring an item they use (I Pad, PlayStation, phone, etc.) to illustrate what they wanted to say.

The Chair encouraged them to start working on the script and to forward same to Mrs. Brown. It was agreed that the members would come to City Hall at 4:00 p.m. as that would give them enough time after they got out of school. They all agreed that Wednesday would work best as they all have early release on that day.

Mrs. Brown advised that Mr. Lopez had 2 musical recordings later this evening and they were invited to come over and observe the set-up and what is involved in a recording. The members all agreed to go when this meeting was over.

B. Eggstravaganza:

The Chair asked who would volunteer for the Eggstravaganza and everyone, with the exception of Sean and MacKenzie, agreed to work. She encouraged them to bring other volunteers to help out.

8. DIRECTOR COMMENTS:

Mr. Moore said it was sad that some of the members had to leave due to age limit as they had made good contributions to the committee. He said serving on a board also helped them with learning to speak in public as well as getting some knowledge of how government works.

They were reminded that they could assist Mr. Lopez with his set-up and recording at the upcoming Concert in the Amphitheater.

9. COMMITTEE COMMENTS:

The members had no further comments.
